

IRONS GOLF SOCIETY NEWSLETTER JUNE 2007

Dear Irons Member,

Welcome to the June edition of the Irons Newsletter. We will be reviewing all the titillating fun enjoyed at Gary L superbly organised Weston Trip along with two further enjoyable Sunday events at Lullingstone and Hatfield with all the results, handicaps and competition standings.

However, due to financial resources, the Committee has reversed its previous decision regarding the posting of the Newsletter. In the last newsletter, we asked the membership that to receive the newsletter by email you had to notify myself or Mark B of this request. **This is now not the case.**

After this last edition, all future editions will **only** be sent by email in this format to all Irons Members and "Friends of the Irons" on our current mailing list. **However, if you enjoyed receiving a hardcopy, for which we know many of you did, and would prefer to continue to receive this, please positively respond to myself stating your preference also ensuring that you have paid your membership subscription as this is a requirement in order to receive a hardcopy version of the newsletter.**

Finally, please look at the Autumn Tour (Belton Woods). If you are already going and confirmed please respond regarding the "fun events" notice below as soon as possible and if not already going then contact Captain Nick H as we would like to have as many members as possible attending.

We both look forward to seeing you all at forthcoming events.

Best wishes
Mark B & Adrian T

AUTUMN TOUR (BELTON WOODS)

Following, Belton Woods being chosen as our venue for Autumn Trip, to add to the "camaraderie" of the event, we thought it would be a laugh to organise some "fun events" after the golf. We have listed below five possible events and we would like all those who are coming to pick two activities that they would most enjoy participating in and reply as soon as possible. If none of the activities interest you, then please let us know that as well. We will then choose the two most popular events and organise appropriate dates and times with the hotel.

Activities:

- 1. Quad Biking**
- 2. Clay Pigeon Shooting**

- 3. Archery**
- 4. Power kiting**

- 5. Frisbee**

REPORTS: LULLINGSTONE APRIL 15TH 2007

Following our first two weather interrupted Sunday events, the sun shone across the beautiful Kent countryside which cheered us all up as play was very slow to start due to a build of two balls in front of our society. At the 2nd hole, there was at one point five groups waiting to tee off!! However, we had a good turn out with twenty-seven players which is much more like our normal attendance levels which pleased the Committee immensely.

We welcomed three new participants, Simon M, and two lady participants in Diana and Melissa C. We hope all three enjoyed the day and look forward to seeing them at future events.

As for the results, our new participant Melissa C came home to win on count-back from our handsome vet Peter H who once again performed well. Third place went to “Mr Consistent” yes, would you believe it, Adrian T finished in the points for the third successive event. Longest drive was won by Ju Y and Nearest the Pin was won by Steven H.

The saddest moment of the day was the ultimate shot from Dave Ho’s aged five-wood, which at last cracked under all the pressure and use as the head shot off from its shaft never to be seen again! Dave Ho has now replaced it with one of Ian T’ tsunami survivors, clearly a club with a pedigree to stay the course!

REPORTS: HATFIELD MAY 20TH 2007

We arrived at Hatfield in good time and sat around chatting and catching up, Adrian T set about the score cards while I decided to find out when the bacon rolls were going to appear. I was informed by a surly great lump of a member of staff that we could not have the rolls until we moved into the dining area. So, I duly waited till the final person had arrived before I herded everyone into eat. Minutes passed, I asked again and Lard Arse grunted that they were on their way. More minutes passed and those who were teeing off first went to get ready. I went to the reception to complain and ask for our tee off times to be delayed..."Sorry Sir"...!!!

Eventually the rolls appeared and I spent the next ten minutes running between dining room and first tee [quite a distance] conveying rolls and instructions.

My tee shot at the first was tugged left. The Starter then intervened to inform me that we shouldn't be playing in three balls. I politely informed him that we play in three balls on every other course and that I was not going to change the arrangements at this particular moment in time. I duffed my second into a bunker, made good connection out of the bunker only for my ball to crack firmly into a bush and fly back into the sand at my feet. By the time I reached the 1st green I had composed my letter of complaint to Hatfield GC and do not plan to return unless they beg us!

Things improved thereafter and I am particularly pleased to report three new potential members including two women, Jan S and Linda M with serious handicaps to match. Peter S was a very handsome third.

New member Kevin D won the day with 40pts with Dave Ho beating Mick H for second place on the back nine.

Longest drive was won by Linda M, teeing off approximately 195 yards in front of the men!!!

Martin H won nearest the pin. For those of you who are not aware, Martin H is currently Captain of a prestigious local golf club, Chigwell. While I have no doubt there have been plenty of closet gay club captains both past and present, I doubt there have been any openly gay men who have been captain of their club. Amongst the membership of Chigwell are many rich local entrepreneurs some of whom have earned their money legitimately. Also resident of Chigwell are the local "birds" Sharon, Tracy and Dorien. Dorien would of course have needed little excuse to persuade her local GP into her bedroom for a little gynaecological inspection. Quite whether Doctor H would have succumbed to her advances we may never know but it certainly would not have ruffled as many "feathers" as having a gay captain of the local golf club might have done only a few years ago. Well done Martin H and we wish you a successful year in your role as Captain.

REPORTS: WESTON SUPER-MARE MAY 2ND TO MAY 7TH 2007

Thanks to all the Irons and guests who visited the West Country over the last week. A few arrived last Tuesday and have just left Weston this morning (Tuesday 8th May). It has been a long and tiring but hugely enjoyable time.

The visit by our continental friends, Eric from Antwerp, Michael from Munich and Ottmar and Wolfgang from Hamburg added a tremendous amount to the event and we were thrilled that they made the journey to join us. I hope they enjoyed themselves as much as we enjoyed their company.

If anyone would like to attend the event in Germany that Michael, Ottmar and Wolfgang organise, the website is www.german-rainbow-open.com. From experience, Joan C, Nick H and I can thoroughly recommend the event and hope that some of the Irons will make the trip over to Munich to give mutual support, which we so much appreciated this year at Weston

Tuesday night a select band of 13 had dinner at the Chinese Buffet restaurant and it was a great opportunity for us to get to know our continental guests which adds a further dimension to the Irons society.

Sharley-Clare B started the week in great form and beat me on the last 6 holes for victory at Mendip Springs with Michael T completing the podium positions. The wind being opposite to normal made the course very difficult, with out of bounds appearing regularly on the left and with consummate amounts of water lining the course. Poor old Adrian T shrieked across the fairway to Mark B, "go and buy some more balls" after he had already lost an innumerable number after only 12 holes. Sharley B plotted her way round successfully allowing for the fact that she had eight par 5's on her card was a sure advantage, as most of us struggled on the "nigh-on-impossible" par 4's!

Wolfgang surprised everyone at Worlebury (especially himself) and was victorious beating Sharley-Clare B into 2nd place, for a second day running her homeward nine beat Adrian T on this occasion!, so he finished third after "blobbing" the last three holes. Wolfgang was horrified to hear that his handicap would be cut from 33 to 28 for the following day, but despite the reduction, still won at Weston on Friday! , a point clear of Jason C and Our Lady Captain ,Nick, H came good with 39 pts in third place.

As always, Weston provided a few highlights of the week, with the societies first ever all female three-some covering all gender varieties, performing the honours Olga F, Clarke H and Sharley B which highlights the diversity of our society, something we should encourage and be proud of. Added to that, there was the flamboyant entrance of "Pearl and Dean" coined by Ken aka "Adrian T and Mark B" in their dazzling new outfits which brought all kinds of attention and brightened up the rather dull weather conditions even if Adrian T was freezing his ***** off!!

Other incidents of note was the rapid change of dress from dear Sharley B as the pink denim mini skirt was just too short to be permitted!, and Steve P's gorgeous dog "Sam" provided Richard Bu with his own entertainment whilst we all teed off, and finally not to forget Richard BI splitting headache as he had banged his head waking up that morning, though it did not seem to do much harm as his 37 Points earned him a well-deserved fourth place.

Sandro F once again sponsored the day and provided some great prizes. The evening dinner at the golf club was a great success, the food was excellent, the room looked lovely thanks to Richard Bu's titivating and we all had a fantastic evening thoroughly enjoyed by all.

Saturday's event was at the Isle of Wedmore and the course played harder than it looked. I managed to prevail here with 36 points just pipping Ju Y on the last 6 holes with Eric our Belgian friend finishing in third with 35 points.. Going down the 11th I received some rather mocking comments from members who I had just watched hacking their way down the 15th. They noticed I was using a pink ball kindly bought for me by our German friends. The members were having a good titter until they asked me how I was getting on, when I told them I was level par and maybe they too would play off 5 if they used one - they quickly shut up and started discussing the merits of using a pink ball!

Sunday's game at Tall Pines provided an even sterner test in the strong wind. Steve P won with 40 pts and Trevor P waddled into 2nd with the ever-so consistent Michael T finishing third for the second time this week. Whoever it is who keeps tying Trevor's shoelaces together, would they please stop it, it makes it so difficult for him to walk! J (Apologies Trevor). Congratulations to Stephen H who joined us today and promptly won the Gross event. I managed to have the best gross on each of the other 5 days so in future I have decided to wait until the end of the week before choosing which day I hold the gross event!

Our dinner at the Blue Ocean Thai restaurant on Sunday evening was another success. The food was both excellent and plentiful and a good time was had by all. We were 43 in number and it made for a great atmosphere. When I next see him, I will personally thank the owner, Jimmy, who is a member of Weston.

The weather during the 6 days was very kind to us until the last day - the first hour of which was just disgusting and made conditions at Woodspring quite unbearable and the scores reflected the difficulty of the day. Eddy M won with 33pts and Stewart F was 2nd with 32 and yours truly finishing in third place with 31 points. Steve P won the event for the best nett on the 3 short holes. Once again, the greens here were very woolly and the grass was visibly growing as we went round. I mentioned this to the Course Manager when we got in and apparently, it is because the greens are not cut on the Sunday or Monday of a holiday weekend. I will certainly bear that in mind when booking future events at Woodspring!

The new format of awarding points on a Eurovision Song Contest basis for multi-round events was successful. A respective award of 12,10,8,7,6,5,4,3,2,1 was given to the best 10 on each day. This method avoids any distortion of the results due to one-off freak high scores.

I am pleased to report that I was the honoured recipient of the first event for Joan's Jugs. When you see the trophy, you will appreciate just how lucky I am!! (They are absolutely hideous J) I won with scores of 11, 11, 8 & 6 = 36. Wolfgang was second with 27 and Sharley B completing the podium positions in third with 26.5 points.

I am currently leading Bessie's Bowl with 11,11,8,6,3 = 39 followed by Wolfgang on 27, Sharley B with 26.5 and Michael T with 20.2, but there are still 5 scoring rounds to be played in Wales so things can change dramatically during that trip. The prize is awarded to the best 7 scores from the 11 played in the West Country.

I would just like to personally thank a few people who made the trip possible. Nick H (our Lady Captain) and Ken C (our esteemed Secretary) are always a font of knowledge and support. Dave Ho works tirelessly doing our scoring and handicaps, Joan C was the best sweetie and drinks monitor a woman could ever want and Richard Bu (my dear husband) is the best titivator in the business. He also puts up with me grumbling and muttering something about, "you'll never guess who's changed their mind this time!" Sandro F for his continued sponsorship of the event at Weston Golf Club and Jenny C for acting as our starter for the two events held in Weston-s-Mare. Without them, my job would be so much harder and I thank them all very much.

I personally enjoyed this whole event as much as ever and sincerely hope that everyone else who attended had as much fun as I did.

I now look forward to seeing you all again at the Welsh Trip from 18th to the 22nd of July.
